FrontRead – an innovative digital learning platform improving reading skills on ALL students
A critical bridge in reading

Word Recognition

Fluency: Automaticity
Prosody

Text comprehension

“IT is not enough for readers to read the words in text accurately – they need to read the words automatically”
LaBerge & Samuels, 1974

Source: Timothy V. Raskinski
2012 International Reading Association
Innovative solution for ALL students

- 25 years experience with adult training

"After we finished with FrontRead we took the obligatory reading test for text comprehension. The country’s average comprehension for 6th grade is 96,4%. Every student in our class placed above that."

Janne Nielsen, Teacher, Aarhus
Customer statements

“Digital learning can give immediate feedback to the student. We have decided to continue using FrontRead for the next 3 years.”
Tina Joost, Reading Consultant, Schleswig-Holstein

“After we finished with FrontRead we took the obligatory reading test for text comprehension. The country’s average comprehension for 6th grade is 96.4%. Every student in our class placed above that.”
Janne Nielsen, Teacher, Aarhus

“It is a program that is easy to approach and our teachers have been very excited, as there wasn’t a lot of material they had to learn in advance.”
Mette Poulsen, Reading Consultant, Hjørring Municipality
